## CERTIFICATE OF AUDIT

We have examined the records of the Board of Selectmen, Town Clerk, Town Treasurer, Tax Collector, Overseer of Public Welfare, the Public Library and the Trustee of Trust Funds for the Town of Enfield, New Hampshire, including statements of Receipts and Payments, for the year 1972. Our Examinations were made in accordance with accepted auditing principles applied on a basis consistent with preceding years, and accordingly included tests of the accounting records and other auditing procedures we considered necessary during the examination.

In our opinion, the records and statements presented to us fairly represent an accurate account of financial condition for the year ended December 31, 1972.

## REPORT OF THE ENFIELD PUBLIC LIBRARY

I have the privilege of submitting a report of the Enfield Public Library for 1972.

It has been a very busy year with us in many ways. The circulation has increased to approximately 10,000 books and magazines. Additions of new books in every classification have strained our shelves to the limit, necessitating the use of the floor for some magazines, and a table in the G.A.R. room for ultra modern reference material.

In the spring new curtains were purchased and installed. New drapes were added to give a more subdued lighting effect.

National Library Week was recognized by having a display of our own purchased new books, in the G.A.R. room. In the evening Mr. Will Curtis of the Yankee Book Shop in Woodstock, Vermont came and gave a most interesting talk on books and their authors.

The Book Mobile has visited us four times this year, leaving 475 to 600 books at a visit. These, in addition to the special needs we have sought by mail, have filled practically every request by borrowers.

Many people have been most generous in donating from their personal libraries to us. We have been very happy to accept their offers and if there happened to be duplicates (as in some cases) we were able to find a need elsewhere for them. A large donation of these were taken to the Rogers House in Lebanon and another gift went to the Convalescent Home on the Lyme Road. In this way we are passing on gifts which are helpful to others.

In October a number of women met in the library to form a group to be known as "Friends" of the Library. This is not primarily for fund raising purposes but some

who are interested in books and have a small amount of time are willing to donate it to help on the many tasks herein that will assist the Librarians to make a smoother regime and so release them for other professional duties. This is a much needed service and there is room for more helpers if anyone is interested.

In addition books have been taken to shut-ins in various parts of the town and on the hills, and replaced with others when the borrowing time has elapsed. We have tried to fill every need if we knew, and had ability to do so.

Free movies have been continued for the children and have been well attended. We also worked with the Recreation Comm. last summer by furnishing story books for the smaller "Story Hours", and furnished our projector for their movies.

We have so many new books on outdoor life--fishing, hunting, trapping; new biographies; art with patterns for design and painting; home decoration and building; modern "best sellers" in fiction; new westerns; all for adults. The children have been busy with their new picture books and animal stories.

And now I have a "thank you" for many because I believe they merit it. To those who have given us so much to add to our collections; to the "Friends" who have worked in transporting books, correlating exhibits between school children and the library; by submitting news of new books and events in the local paper; to Mr. Sam P--- for seeing our room was warm each morning before we came in; to the Trustees who have helped in so many ways and always "been there" when we asked for advice; and last but not least to the Selectmen. They have shown their interest, their understanding of our needs and their willingness to help in every possible way.

Our aim has been and still is--To have the best library for everyone and to be most helpful to all.

Sincerely,

Mary L. Allen  
Librarian

## REPORT OF THE ENFIELD RECREATION COMMISSION

The Recreation Commission would briefly like to summarize our activities during 1972. At the beginning of the year we had our ski program at LaSalette and also had an evening of ski movies and served cider and donuts. In late spring, after several meetings, it was decided to hire Betsey Christie, who was an assistant last summer, as director of the 1972 program. In June, under the auspices of the Lebanon Chapter of the American Red Cross, we were able to send Betsey to a 10-day Water Safety Clinic held in Brookline, N.H. where she received certification to be a life guard and water safety instructor. The summer program ran six and one half weeks starting July 5; several field trips were organized, including one to Mt. Moosilauke and one to the Squam Lakes Science Center. We had a total Registration of over 100 children with arts and crafts being taught in the morning and swimming lessons at the beach in the afternoon. Betsey was also on duty until 5:00 P.M. every day at the beach acting as life guard. Under the Neighborhood Youth Program which is Federally funded, we employed 2 people in our recreation program and placed one in the library and one worked with the highway department. We also lent financial support to the Enfield Pee Wee baseball league.

Our chairman, David Miller, has spent a great deal of time this year working on a plan for the newly acquired precinct property known as Huse Park. He has had several conferences with a Bureau of Outdoor Recreation representative, we have had the property surveyed, soil samples have been taken. Dave has written up a proposal which if accepted at Town Meeting would be submitted to the B.O.R. requesting Federal funds to turn Huse Park into a multi-purpose recreation area with a picnic area, different types of athletic fields, tennis court, multi-purpose court for basketball and other children's games. This is an ambitious undertaking but with the support of the townspeople we hope to turn Huse Park into a beautiful area.

Early in December we held our Annual Christmas party with over 300 children and adults attending. Once again we had a visit from Santa Claus, cartoons were shown to the children and the boys from LaSalette sang. The end of December plans were being formulated to have a ski program for the Enfield children in connection with the Lebanon operated Storrs Hill.

## REPORT OF THE PLANNING BOARD.

The Enfield Planning Board met on a regular basis during fiscal 1972; and devoted its efforts to an area planning program for the Town of Enfield.

The proposed zoning ordinance and building regulations presented for voter consideration in March were defeated. It was only after many weeks of consultations with the Board of Selectmen, UVPDC, and interested citizens that the planning board concluded a real need still exists for area planning and orderly growth. Based on the results of our discussions a second zoning proposal has been prepared, and is submitted for citizen consideration.

The members of the board extend thanks to the UVPDC and the Enfield Civic Association for their valuable efforts and believe the proposal encompasses their many contributions.

Respectfully submitted

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, Forest fire control is a cooperative State-Town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the Town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

## MASCOMA AREA HEALTH COUNCIL

MASCOMA AREA HEALTH COUNCIL, founded in April of 1969, is completing its fourth year of service to the towns of Canaan, Enfield, Grafton and Orange. Two nurses, each working half time, provide full time visiting nurse service to the area.

The Council also operates monthly free Well Child Conferences for children from birth to age 6, at which any child may receive regular complete physical examinations, all immunizations, and vision and hearing tests. Under the schedule at present in effect, the child is seen by our nurses just after birth, and then at the clinics at 3, 5, 7, 9 and 12 months, at 18, 24 and 30 months, and at age 3, 4, 5 and 6 - or more frequently when justified. Parents accompany their children to these clinics; any trouble discovered is discussed with them and referred for further testing and treatment. Follow-up visits are made by the nurses. For any child who will not see a private physician, the Council provides the physical examination necessary for entrance to kindergarten or first grade. It is also under contract to supervise the health of the children in the Headstart program.

Nutritionists are also available at each clinic, to discuss and teach nutrition for child and family. These nutritionists are also available to help the older people who need it, on special diets, etc.

In the summer of 1972 the Council made a start on a long hoped for dental program, and 135 children had their teeth cleaned and received fluoride treatments, and children and parents received counselling on proper dental care. Unfortunately the State of New Hampshire funds supporting this program ran out; we hope to have it again when new State budgets have been voted on.

Except for several grants from the State of New Hampshire received in its first years, the Council depends for support on the 4 towns served, each of which contributes on the basis of its population. While the Council must of necessity make a charge for its services other than the clinics, these services are available to everyone regardless of ability to pay.

At present our nurses are Mrs. Gertrude Clark of Grafton and Mrs. Toni Sadowsky of West Lebanon. During the past year they have made 1,450 visits to area residents for nursing service or health promotion, counseling and support.

The Council is governed by a volunteer board of directors elected from the 4 towns, and its medical policies and practices are supervised by a Medical Advisory Board consisting of area physicians and several volunteers.

The Council maintains its office in the Health Room at Mascoma Valley Regional High School, with its own telephone (632-7234). It is heavily dependent on, and grateful to, the Methodist Churches of Canaan and Enfield and the Schook, which provide space for its clinics, and to the School for its office space there. A pamphlet describing the Council and its work and service is available on request. Its monthly meetings (first Monday, 7:30 p.m. at the School) are open to the public and visitors and volunteers are welcomed.
